Binding declaration of Designer and Client (or Operator)

We confirm herewith the correctness of the details given. We are aware of the rules of the competition given in the announcement. The copyright to the submitted photographs and plans lies with the entrants. By participating in the competition, we give our consent to the unremunerated publication of our work through the public relations activities of the IOC, IPC and IAKS. Title to all submitted documents passes to the IAKS.

Should our facility be awarded a prize, we will make available collages of high-quality digital plans and images of the winning projects in exhibition quality at the IAKS' request and in accordance with the IAKS' specifications by 31st August 2013 at the latest.

Place and date, signature or stamp of Designer

Place and date, signature or stamp of Client (or Operator)
