redhookcrit Remember this insane Specialized Allez Allez bike from the 2016 Red Hook Crit Milano?

Bad news it was stolen (along with other gems) from designer Erik Nohlin's garage in California last night

Everyone keep an eye out and help get this bike back

eriknohlin 2017 / DiNucci 74 Allez project / Nattefrost paint and concept. Darkness to sparkling Nattefrost vertical fade to match its silver Campagnolo groupset. A sharp, sparkly silver mini flake makes it almost frost-like in the sun. Wheels are custom drilled 32h and 40mm deep Specialized carbon rims with the FMB Paris Roubaix handmade 28mm tubulars. A classy not classic ride. Thanks to @mediamechanic for it happen ;) #74allezproject
